Set Your Own Pace!

Scout™ BOSS 6NS

Midi-Drive™ Power Wheelchairs

Attractive BOSS 6NS CC/SS power base puts you in control.

BOSS 6NS Excels with . . .

Style & Choice - 3 rich "Mirror-Glaze™" Through & Through colors, 4 seat colors, including 2 luxurious soft fabrics, and mag wheels.

Easy seat access - just step on the footrest.

All day comfort - Orthopedic contoured Com-For-Back™ seat and arms are width, depth, height & angle adjustable to fit your needs. 50° Recline Admiral Seat. SS is available in Com-For-Back™, Admiral & Rehab Cane Seat.

Better indoor maneuverability and stability - Patented 3/4 midi-drive short 27" turning radius is much easier to drive in your home than comparable rear wheel drive chairs. Boss' 3/4 design is more stable than center drive bariatric chairs that tip easily when reaching or stopping. 8° stability.

All day outdoor power & range - New York made, (1^{3/4} HP Total), high torque motors drive maximum efficiency, inline (no maintenance) sealed gear drive. Advanced, easy to drive, 150 amp modular controller saves energy while delivering maximum power for range up to 20 miles. Boss 6NS can climb tortuous, 140yd, 7-9° hills 27 times with a 600lb. rider.

Boss 6NS has ultra low center of gravity - designed with 4 point seat mounts that ensure much lower seat heights, (16" for a short user - SS), with easier control, drivability, and easy battery access.

State-of-the-art - small, carry along, fast charging, worldwide charger features battery saver technology for longer battery life and reduced cost.

Dual transport option - with chair transport tie down system or separate the Boss into 6 pieces for transport.

Special Need - Extra wide, angle adjustable footplates standard, custom seat sizes & footplates. 600 lb. capacity, swing-away ELRs and solid rehab seat.
